LANDSCAPE ARCHITECTURE SERVICES

QUALIFICATIONS

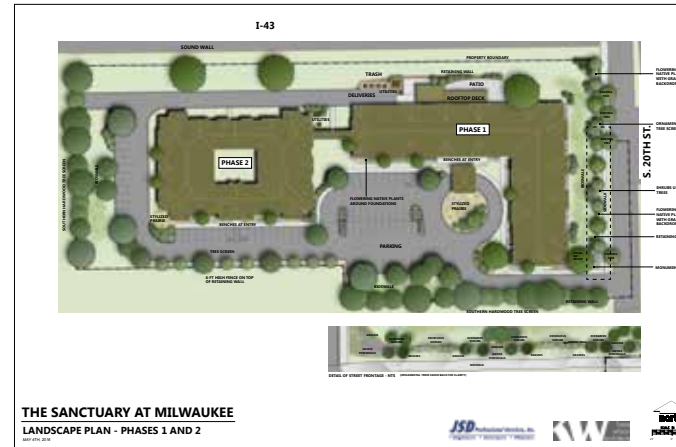

Kristi Sherfinski is a Registered Landscape Architect in Wisconsin and Illinois. She is a member of the American Society of Landscape Architects and is a former board member for the Wisconsin Chapter. She is also a SITES Accredited Professional, which is a sustainable sites initiative supported by the U.S. Green Building Council. Prior to starting her own business, she prepared commercial landscape plans for JSD Professional Services, Inc. With her M.S. in Botany and B.S. in Landscape Architecture, Kristi brings ecological-based thinking to the built environment. Her knowledge of native plants in their natural habitats allows her to successfully incorporate them into landscape designs and to create functional, beautiful, and ecologically sound wetlands.

MULTIFAMILY/SCHOOL DEVELOPMENTS

The Sanctuary - Milwaukee, WI

Designed the grounds for an assisted living center in the City of Milwaukee for JSD.

Breeze Terrace Apartments - Pleasant Prairie, WI
Landscape design for an eight-building, multifamily development by Helianthus.
